

**Running is my favorite thing to do. Running is being used as:**

**a gerund working as a verb**

**a participle working as a noun**

**a participle working as a verb**

**a gerund working as a noun**

Running is my favorite thing to do. Here, Running is being used as: include option D: a gerund working as a noun.

What is the term gerund about?

A gerund is a noun that comes in the family of a verb. U add -ing in the words such as: Learning, Playing, Fighting and Punching.

Gerunds are used as nouns. Like infinitives, they can be a subject, an object, a predicate noun, or an appositive. Unlike infinitives; gerunds can also be the object of a preposition.

Therefore, correct option is D.
