

What does the simile his arms were like telephone poles mean

His arms were extremely long

Blue light has a frequency of $6.98 \cdot 10^{14}$ Hertz. Calculate the wavelength of blue light in nanometers.

In what way were the kingdoms of Mali and Songhai similar?

Two adjacent supplementary angles form a

What has Sir Gawain learned from his second encounter with the Green Knight?

A medium orange has 60 calories and a grapefruit has 80 calories. A citrus gift package contains a total of 12 oranges and grapefruit. The number of calories in the gift package is 780. How many oranges are in the package?

Which is an external influence on physical activity? A. experiences

B. likes

C. feelings about yourself

D. role models

Find the mean, variance, and standard deviation of the binomial distribution with the given values of n and p . $n=128$,

$p=0.27$

The mean is _____

.(Round to the nearest tenth as needed.)

The variance,

σ^2 is _____

.(Round to the nearest tenth as needed.)

The standard deviation, _____

Help Physics Class!!! $F = kx$

$k = ?$

F/x

x/F

F + x

F - x

Compare the properties of metals and nonmetals.

How to write 18,801,310 in expanded form using exponents

1. If a car is traveling 90 mi/hr, how many feet will the car travel in 1 sec? In 5 sec? Hints: 5280 ft = 1 mi

60 sec = 1 min

60 min = 1 hour

Convert 0.5 lbs to grams

Imagine that you have been asked to determine whether a will written fifty years ago is authentic or a modern-day forgery. How would you go about doing this? What aspects would you examine to help you make your determination?

How is a water molecule like a magnet?

Xiang is attempting to improve

being a critical thinker means having the ability to evaluate information from reliable sources and then make a responsible decision true or false

As the temperature of a sample of matter is increased, what happens to the average kinetic energy of the particles in the sample? A. It decreases.

B. It increases.

C. It does not change.

Falls are the leading cause of injury to seniors. T F
