

Which of the following is the solution set of $18 - 3n + 2 = n + 20 - 4n$? A. ?
B. {0}
C. all reals

I hope this helps you

$$20 - 3n = 20 - 3n$$

$$-3n + 3n = 20 - 20$$

$0 = 0$ If you simplify each side you get $20 - 3n = 20 - 3n$

Since you have the EXACT same thing on both sides of the equation this means that any number will work, infinitely many solutions or ALL REALS, C.

How do you say goodbye in Italy

All cells are dependent on what usable energy source

Use the tips from this lesson to help you determine which selection most closely matches the definition of acquiesce in the following sentence. Ron failed to acquiesce when the usher asked him to refrain from talking during the film, so he was kicked out of the theater.

Tell the order of vessels a blood cell travels through

What is the denotation for the word floundered?

Solve. $2m + \frac{1}{2} - \frac{15}{8} = m + \frac{4}{4}$

A. $m = \frac{19}{10}$

B. $m = \frac{19}{6}$

C. $m = \frac{19}{6}$

D. $m = \frac{19}{10}$

Are you shopping for groceries, and you can choose between fresh fruit and juice. Which is better for your nutrition?

What happens to an oxidizing agent during a redox reaction?

What causes a mass lump in thigh

What is the solution to the equation $4x-6=10x-3$?

How did dictators come to power during ww2?

Why was congress reluctant to form a continental navy at the start of the war?

Is the system of equations consistent, consistent and coincident, or inconsistent? $y=3x+12$ $y=6x+2$

If two angles of a triangle are congruent, then the sides opposite those angles may not be congruent. TRUE OR FALSE?

What is the unknown term in sequence ? 28.6 , 26.1, 23.6 , __, 18.6

Which sentence uses the word good correctly? A. My class does good when we have a substitute. B. Ivan and Mel are good musicians. C. Henry drove good, even though it was snowing. D. My uncle is doing so good in his writing class.

Solve the system of equations.

$$3x+3y+6z=3$$

$$3x+2y+6z=7$$

$$4x+4y+7z=4$$

How does this final stanza of "ah are you digging on my grave" use irony to disappoint the speaker's expectation?
